

**BOSCH**  
Invented for life

## Guidelines for the students

### Guide to portal & Registration process:

**Step 1: Register your team ( one to four people can be in a team )**

**Step 2: Submit your idea you want to work on (Word Limit: 300)**

The idea should be made keeping in mind the following pointers-

- Creativity and Innovation
- Future Scope
- Feasibility

The result of phase 1 will be declared on 4th March 2019 till then you can submit your ideas and you need to submit the idea only once, prepare the plan of action of your idea till the declaration of phase 1 result.

After phase 1 result, only 150 teams would be able to make it in phase 2.

**Step 3: Plan Of Action Submission**

You need to submit the plan of action of the idea you have submitted, your plan of action should consist of every single detail related to the idea keeping in mind the following pointers-

1. Execution Plan
2. Scalability of the project
3. Details of cost
4. Feasibility
5. Structure
6. Advantages and future scope
7. Impact

You need to submit the PDF file of your plan of Action before 13th of March 2019.

Please note that submission of the plan of action is mandatory for all selected people.
